En respuesta a [@RichardGarriott](#) I'm having a hard time finding sources for this related to the game. Can you definitively tell us how we should pronounce lolo, Dupre, Shamino, Jaana, Seggallion, Beh Lem, Sentri, Lycaem, Draxinusom, and Mu when playing Ultima VI?

It would heal a lot of souls.

As some others have noted: YO-low, doo-PREY, SHAM-in-oh, YA-nah, se-GAL-ion, BEH-LEHM, SAN-trey, lie-SEE-um, drax-IN-you-som. For "Mu" are you asking about the mantra? If so, its "Moo" like a cow.

Thank you so much! For Se-GAL-ion is that SEE or SEH? These insights will heal many souls like casting KAL LOR. (Speaking of which, is it Cal-Lore or Call-Lore or cuh-LOR?)

Seh-GAL-ion. CAL-LOR as in Calorie and Lore. :)

May I be so presumptuous as to leap in and ask about Mariah? I've always said Mar-eye-ah (like Black Mariahs, the old London police cars) but know some people pronounce it Mar-ee-ah, like the name without the H. I feel bad that I might be getting my fave companion's name wrong!

I always thought it was Muhr-eye-uh, but now I'm not sure about anything! Now I'm wondering about Skara Brae and Minoc. so many I took for granted and that I got wrong before!

Skara Brae is Skah-rah Bray, unless Richard changed it from the actual place! :)

I was so glad for the voices pronouncing the names in U9. I was calling Dupre Droopy. I may be a little dyslexic.

Well, I knew a few folks who called Dupre "Duper" and even Super Duper on occasion: lolol.

Yes, the very best!
And few of those know where the name came from.

En respuesta a [@RichardGarriott](#) [@ultimadragons](#) y [@EricAdamHovis](#)

And sometimes Gwenno was called Mrs. Moo, but only at home, by friends. lolol
